About me:

18 years of experience in cloud and VDI technologies like Azure IaaS, Azure AVD, Citrix Cloud, VMware, and Microsoft Windows Server AD Support. Extensive project experience, "from RFP to BAU support handover." IT infrastructure project implementation (technical), client coordination, Resource Management, and planning experience using MS Visio and Project tools. As an architect and implementation consultant, I have extensive experience with transition and transformation projects. Good technical document writing experience in HLD, LLD, and SOP. Good experience in the pre-sales experience as well. Being an Indian with a Blue Card (Karta Pobytu) working in Poland and looking for a good opportunity across EU countries.
